Meeting with history and the "Cyphers Game" in Jaworzno

On 26 October 2022, the Main Square in Jaworzno hosted our mobile showroom. It was there from 10 a.m. to 4 p.m. The opening ceremony of the showroom was honoured by the presence of representatives of the Institute of National Remembrance (IPN) with Adam Hlebowicz, Director of the National Education Office, and Adrianna Paradowska, Deputy Director of the New Technology Division, as well as Przemysław Dudzik, Director of the Jaworzno Municipal Museum and Katarzyna Florek, Head of the Museum, representing the Mayor of Jaworzno. The reception to the game by young people was – as always – positive. Students from the Stefan Żeromski Primary School No. 6 in Jaworzno, the White Eagle Secondary School No. 3 in Jaworzno and the Vocational Training Centre in Jaworzno visited our showroom. Mr Adrian Rams of the Branch National Education Office in Katowice provided substantive support. Particularly numerous was the participation of media outlets (including TVP3 Katowice, TVS, Radio Katowice, Radio eM, and dlaCiebie.tv), who were shown around the interior of the truck by Director Adrianna Paradowska. Come and visit our mobile showroom and experience the "Cyphers Game" in your neighbourhood!
