Visit the National Future Congress in Łódź

Visit the National Future Congress in Łódź

"History Speaks Through Generations" — under this motto, the Łódź Branch of the Institute of National Remembrance invites you to the National Future Congress, which will take place on October 15–16, 2025, at the Sports Bay of the Lodz University of Technology. Participation in the event is free of charge.

Experiences Full of Emotion and Engagement

The activities are designed for all age groups. The National Future Congress is an event for everyone who wants to *live history*, understand its meaning for the present, and look to the future through the lens of past experience. Over two days, participants will be able to choose from a wide range of panel discussions led by historians, experts, and special guests. At the same time, there will be workshops, educational performances, and exhibitions — for children, youth, and adults alike.

Education for All Generations

Everyone who thinks about the future is welcome — because understanding history is the foundation for building an aware and responsible tomorrow. Adults and seniors reflecting on the past and the present. Teachers and educators looking for fresh teaching methods. Students eager to experience history in a lively, modern way. Let's all meet at the National Future Congress in Łódź! This will be more than just a historical meeting — it will be a unique space where the past comes alive, technology supports education, and intergenerational connections build bridges. It's an opportunity to be inspired and to learn — by looking at history that truly speaks through generations.

The New Technologies Zone at the National Future Congress

During the Congress, visitors will also have access to the New Technologies Zone. There, you'll experience all the projects of the New Technology Division and discover immersive historical education. See for yourself how effective learning can be through educational games, films, and applications. This form of engagement makes it easier to deeply understand historical phenomena and retain key facts. The zone will be open to all Congress participants.

Accompanying Events

The Congress will feature a range of special accompanying events, including:
The Decoration Ceremony of the Crosses of Freedom and Solidarity, accompanied by a concert by the *Warsaw Sentimental Orchestra* with the *Łódź Film Orchestra*;
The "Witness of History" Honorary Award Gala, highlighted by a musical performance from the *Pospieszalski Family*.
These events will enrich the Congress program, combining reflection on history with unique artistic and cultural experiences.

Register Now

Let's meet in a place where knowledge, innovation, and tradition come together — becoming a guidepost for building the future. Participation in the event is free of charge — you just need to register to take part.
