

The municipality of Żurawica hosted the mobile showroom with the “Cypher Game”

On 28 September 2022, the mobile showroom was stationed on the grounds of the Żurawica Municipality Office (in the Przemyśl powiat), where we received a very friendly and warm welcome. The exhibition was open from 10 a.m. to 4 p.m. The visitors were mainly students from Żurawica over the age of 13, including groups from School and Kindergarten Complex No. 1 and School and Kindergarten Complex No. 2. More than 80 young people were able to experience the opportunity to learn history using modern technology.

At 11 a.m., a meeting of the Institute of National Remembrance delegation, represented by President dr Karol Nawrocki, Director General Magdalena Głowa and Director of the Office of New Technologies Magdalena Hajduk, with Mr. Tomasz Szeleszczuk, Head of the Żurawica Municipality, took place in the mobile showroom. In addition, the President of the Institute of National Remembrance made several statements to local media, including Polskie Radio Rzeszów, TVP3 Rzeszów and TVP Info.

We would like to thank the Head of the Rzeszów Branch of the National Education Office of the Institute of National Remembrance, Jakub Izdebski, for his cooperation and dr Jacek Magdoń from the Rzeszów Branch of the National Education Office of the Institute of National Remembrance for his substantive support.

We encourage you to visit our mobile showroom and experience the “Cypher Game” in your neighbourhood!
