

## A week of immersive history lessons to celebrate Childrens' Day in the New Technology Zone

We celebrate Children's Day for a whole week, from 27 May to 1 June. We invite you to the New Technology Zone at the Central History Point at ul. Marszałkowska 107. Combine learning with fun and show your child the world of immersive historical education.

### Visit the Central History Point with your child

Learn together with your child. The New Technology Zone where you can experience history in an immersive way, have fun and learn is waiting for you. Sign up for an immersive history lesson and discover brand new teaching methods.

### What can you expect in the New Technology Zone?

For those who will visit the New Technology Zone, we have prepared:

- 3 Orb X gaming capsules – futuristic gaming stations. They are equipped with a powerful computer designed to provide the best possible gaming experience.
- 2 stations with virtual reality (VR) sets. They take the user to the reality of the presented project. VR stations are available to guests over 13 years of age.

### A week of Childrens' Day celebrations in the New Technology Zone

We celebrate Children's Day from 27 May to 1 June. Take this opportunity to visit the Central History Point. Open the door to the fascinating world of immersive education for your child! It is a place where history comes alive and learning becomes an adventure. Thanks to modern technologies, your child will feel like a participant in historical events. Remembering dates, names of heroes and important facts has never been so easy and pleasant. The New Technology Zone offers unique experiences that will be remembered for a long time. Inspire your child to explore history in a modern and engaging manner!

We invite you to the New Technology Zone at the Central History Point at ul. Marszałkowska 107 (entrance from ul. Świętokrzyska). The zone is open from Monday to Saturday from 10 a.m. to 6 p.m. We celebrate Children's Day from 27 May to 1 June.
